Family Worksheet for K-2nd grade: Spring at The Battery

NOTE: Remember to print a map and bring it with you on your adventure!
As you move to the different areas of the park, fill in the questions for that area.
Ask a friend or family member for help if you get stuck!

Near the Labyrinth

As the weather warms, the animals in the park get more active. Can you find these signs of animal activity?

Spiderweb

Woodpecker holes

Squirrel's nest in a tree

Anthill or ants

Draw other animal evidence you find!

At the Farm

Even in early spring, a lot of plants are growing on the farm! Can you look over and through the fence to find examples of each of these plant parts? If you can't find them on the farm, look in other areas of the park, and draw or write about what you see!

ROOTS

STEMS

LEAVES

FLOWERS

FRUITS

SEEDS

Please follow social distancing guidelines while in the park, to protect yourself and others.

Please follow social distancing guidelines while in the park, to protect yourself and others.

In the Bosque

Look closely at the gardens. Can you find any of these spring flowers?

By the Water

Draw a picture that shows today's weather:

What other flowers can you find?
Draw them here!

Thank you for visiting! We hope you enjoyed exploring the park.
